**General Cardiologist
and Immediate Locum
Opportunities Available.**

Apply Today!

Royal Inland Hospital,
Kamloops, British Columbia

We are seeking **Locums** and full time **General Cardiologists** to join our team at **Royal Inland Hospital**.

This is an exciting opportunity to work in a unique niche setting and practice great medicine with lots of support. RIH sees over 1,500 patients in our emergency department with cardiac related conditions. Our vascular improvement clinic and heart function clinic offers hospital based out patient service. Physician Services provides a full in-patient admitting and consultative service including Holter monitoring, ECGs and loop recording service, heart function clinic, exercise stress testing, nuclear medicine support, cardiac CT and MRI support. The RACE and Pacemaker clinics operate in the new state of the art Clinical Services Building at RIH, which opened in December 2016. The 4 bed CCU was opened in 2019.

Kamloops is a vibrant city of 90,000, set on a vast landscape of sandstone canyons, grasslands and evergreen timberlands. Enjoy all the amenities of a big city, while having eight provincial parks at your door step. Kamloops takes pride in its arts community and First Nations culture, represented in sites throughout the city, theatre events and music festivals. Come play a round at Tobiano golf course, spend the day fishing and kayaking or head up to Sun Peaks Four Season Resort for world class mountain biking, skiing and snowboarding.

**The Royal Inland Hospital is looking for locum coverage for October 2021.
Come, check out this exciting opportunity, we would love to have you stay.**

Apply today to live, work and play where others only vacation! It's better here!
