

2021 Update on the Safety of Magnetic Resonance Imaging: a Joint Position Statement from the CCS/CanSCMR/CHRS

Panel Member's Relationships with Industry (RWI)

The CCS is committed to preserving the scientific integrity of its Guidelines and Position Statements through transparency and management of relationships with industry (RWI). Panel members must disclose all relationships with industry regardless of relevance to the statement topic (see below). When a potential conflict exists, the affected member must recuse during the formal consensus voting process. For more information on the CCS Guideline Development process, please visit www.ccs.ca.
