

**Academic Cardiologist with a focus on Adult Congenital Heart Disease  
University of Ottawa Heart Institute  
Ottawa, Canada**

The Division of Cardiology at the University of Ottawa Heart Institute seeks application for a full-time academic cardiologist with a focus on the care of patients with Adult Congenital heart Disease. The University of Ottawa Heart Institute (UOHI) is a large tertiary centre providing cardiovascular care to Eastern Ontario and Western Quebec. The successful applicant would join a group of 3 physicians caring for patients with Adult Congenital Heart Disease (ACHD). Dedicated ACHD surgical and interventional services are provided on site. The program is also supported by institutional nursing and administrative support. Leadership opportunities would be possible depending on the candidate profile.

The city of Ottawa provides a thriving multicultural and bilingual environment. Ottawa boasts numerous cultural activities as well as readily accessible sporting and natural resources, making it an ideal family and healthy living environment.

Candidates must hold FRCPC certification in Cardiology (or equivalent specialty certification) and appropriate training in ACHD. Practice profile will be negotiated based on expected academic and clinical deliverables. Academic appointment ranking will be based on qualifications and experience.

The Department of Medicine and Division of Cardiology are committed to employment equity and creating a diverse environment. All applicants will receive consideration without regard to race, color, religion, gender, gender identity or expression, sexual orientation, national origin, genetics, disability, or age, all of which need not be declared. The Department of Medicine and Division of Cardiology are also committed to compliance with all fair employment practices regarding citizenship and immigration status.

Interested applicants should forward their curriculum vitae and the names of three potential references (suitable candidates will later be asked to provide three letters of reference) to:

Dr R Beanlands  
Chief of Cardiology
