

Health Sciences North (HSN) Sudbury, Northern Ontario

Cardiovascular Surgery MD Assisting Opportunities

JOIN NORTHEASTERN ONTARIO'S HEALTH CARE LEADER

Health Sciences North/Horizon Santé-Nord (HSN) is recruiting health care professionals who have a keen interest in affecting change within its dynamic health care system. As the tertiary care referral centre for the entire Northeastern Ontario region, HSN serves a catchment population of over 600,000 residents.

The Service of Cardiovascular Surgery at HSN is seeking full time MD surgical assistants to assist with cardiac surgery procedures on a daily basis. Our Cardiac Surgical Program performs coronary artery bypass graft surgery (CABG), valve repair/replacement, and aortic surgery.

Candidates must be eligible for independent licensure in Ontario. There will be a period of supervision and training offered by a surgeon mentor. Previous surgical experience including graft harvesting will be considered an asset.

Come discover Sudbury's exceptional quality of life, abundant lakes, parklands, and extensive recreational opportunities! Sudbury is a bilingual community, and offers a variety of excellent elementary, secondary, and post-secondary education institutions.

If you are currently practicing or within one year of graduating, and are interested in opportunities in Sudbury, the Ministry of Health's [Community Assessment Visit Program](#) will cover travel and accommodation expenses for both you and your spouse to come explore the practice opportunity in Sudbury.

Interested individuals should send a letter of interest and CV to the Medical Affairs office, by e-mail to medcareers@hsnsudbury.ca or by fax to 705-523-7041.

HSN thanks all applicants, but only those selected for an interview or to locum will be contacted.
