

UNIVERSITY OF OTTAWA  
HEART INSTITUTE  
INSTITUT DE CARDIOLOGIE  
DE L'UNIVERSITÉ D'OTTAWA

**Cardiologist Opportunities**  
**University of Ottawa Heart Institute**  
**Ottawa, Canada**

The Division of Cardiology at the University of Ottawa Heart Institute seeks applications for full-time academic cardiologists, as well a full-time locum cardiologist, for various opportunities, as outlined below. Leadership opportunities would be possible depending on the candidate profile.

The University of Ottawa Heart Institute (UOHI) is a large tertiary centre providing cardiovascular care to Eastern Ontario and Western Quebec. In addition to state-of-the-art catheterization (4) and electrophysiology (4) labs, core facilities include approximately 60 inpatient ward beds, an intensive cardiac care unit (ICCU) with 14 beds, a Day Unit with 36 beds, a Reference Centre with 11 beds and a New Structural Procedure Unit of 6 beds. The Division is renowned for delivery of outstanding cardiac care, excellence in education at both the undergraduate and postgraduate levels (recognized as a leading training program in Canada and internationally) and recognized internationally for its research in particular in electrophysiology, cardiac imaging, STEMI/ACS coronary intervention, valvular disease, cardiac transplantation and pulmonary hypertension programs among others as well as strength in heart failure and structural interventions.

The city of Ottawa provides a thriving multicultural and bilingual environment. Ottawa boasts numerous cultural activities as well as readily accessible sporting and natural resources, making it an ideal family and healthy living environment.

Candidates must hold FRCPC certification in Cardiology (or equivalent specialty certification) and appropriate training in specialty areas. Practice profile will be negotiated based on expected academic and clinical deliverables. Academic appointment ranking will be based on qualifications and experience.

The Department of Medicine and Division of Cardiology are committed to employment equity and creating a diverse environment. All applicants will receive consideration without regard to race, color, religion, gender, gender identity or expression, sexual orientation, national origin, genetics, disability, or age, all of which need not be declared. The Department of Medicine and Division of Cardiology are also committed to compliance with all fair employment practices regarding citizenship and immigration status.

Interested applicants should forward their curriculum vitae and the names of three potential references (suitable candidates will later be asked to provide three letters of reference) to:

**Locum Cardiologist with Focus on General Cardiology**

*Apply to Dr. David Birnie, Deputy Chief of Cardiology (dbirnie@ottawaheart.ca)*

**Application Deadline**
