3. Once an account is created, learners will sign in with the credentials they've created.

The image shows a login form for Saint Francis Hospital. At the top, there is a logo and the text "Saint Francis Hospital". Below this, a link "Already registered? Sign In" is highlighted in yellow. The main heading is "Username and Password". There are two input fields: "Username" and "Password", both with empty text boxes.

4. Once signed in, the learner can select the course.

The image shows the "Saint Francis training portal" dashboard. At the top, it says "Saint Francis training portal" with a settings icon. Below this is the "HeartHospital at Saint Francis" logo. The main section is titled "My Institute Courses". It contains a table with two columns: "Title" and "Completion". The table has one row with the title "SCCT2021 - On Demand - Saint Francis" (highlighted in yellow) and the completion status "Not Started".

Title	Completion
SCCT2021 - On Demand - Saint Francis	Not Started

5. Select “View Details” to see sessions.

SCCT2021 - On Demand - Saint Francis

SCCT2021 is designed to engage physicians and healthcare professionals in developments in the field of cardiovascular CT principles, methodologies, and applications.

Credits CE:22.75, CME:31.5

Tag(s) CME, CE
