

**CSE TRAVEL BURSARY RESEARCH AWARD
GUIDELINES**

The Canadian Society of Echocardiography (CSE) Travel Bursary Research Award was created in 2014. Applicants submitting their research abstract in the echocardiography field to the CCC (using the Abstract Submission Portal) will be given the opportunity to submit their abstract for the CSE Travel Bursary Research Award under the 'Recognition, Awards, & Bursaries' task.

Selection Criteria

- Must be a trainee or sonographer.
- Must also be the first author on the abstract submission.
- The first author or senior author must be a CSE member or partner in order to apply for this award.

Award Prize

Successful candidates will receive a bursary up to \$1,000 to attend the CCC. Awards will be presented at the CSE Annual General Meeting.
