## Application for Accreditation of a Self-Assessment Program (SAP) (Section 3)

### *Section 3 of the Framework of Continuing Professional Development (CPD) Options of the Maintenance of Certification program (MOC)*

Self-assessment programs are designed to assess knowledge or the application of knowledge in specific areas, topics or domains. Self-assessment programs use structured formats, such as multiple-choice or short-answer questions, that may include a clinical scenario, and require participants to select the appropriate response. Participants receive feedback on the answers they selected to provide opportunities to identify areas for improvement and future learning.

#### Important information before submitting this application to CCS:

- The CCS CPD department must have previously received and approved your **letter of intent** for the development of this SAP program. For more information on the letter of Intent approval process, please contact us at [CPD@ccs.ca](mailto:CPD@ccs.ca)
- Self-assessment programs approved under Section 3 must be developed or co-developed by a [physician organization](#), if you have questions please contact us.

#### Application steps:

- Refer to the [Royal College CPD Accredited Standards Self-Assessment programs \(Section 3\)](#) as you complete this application and prepare the supporting documentation.
- The application form must be completed and submitted to the CCS with all necessary requirements and supporting documentation at least 8 weeks in advance of the intended date to advertise the CPD program.
- CCS will review the application and respond to the physician organization within 10 working days.
- A summary of the review will be emailed to the physician organization/SPC chair including the outcome of the assessment of the CPD activity, the number of accredited hours, and the CPD activity accreditation statement that must appear on all accredited CPD activity program materials and certificates of participation.

#### Additional considerations:

- MOC section 3- Accredited Self-Assessment Programs are accredited for a maximum of three years from the start date of the activity.
- Accreditation will not be granted retroactively.
- The physician organization that developed the activity is responsible for maintaining all records (including attendance records) for a 5-year period.

**Before you submit your application – have you completed and attached the following?**

- ☐ Has a needs assessment been completed? Attach a summary of the completed needs assessment
- ☐ Have you attached the overall and module-specific learning objectives?
- ☐ Have you included an outline of the program topics and module activities along with an estimated time to complete the activities?
- ☐ Have you attached all materials that will be used to promote or advertise the activity (for example, invitations, email announcements etc.?) (If applicable)
- ☐ Have you attached the sponsorship and/or exhibitor prospectus developed to solicit sponsorship/exhibitors for the activity (if applicable)?
- ☐ If sponsorship has been received for this activity, have you attached the written agreement that is signed by the physician organization and the sponsor?
- ☐ Does the activity budget shows receipt and expenditure of all sources of revenue for this activity including:
  - A list of funding sources, including an indication of whether sponsorship was received in an educational grant or in-kind support?
  - A list of expenditures?
  - The expected number of registrants?
- ☐ Have you attached the template for the certificate of attendance that will be provided to the participants? *Remember that physician organization must maintain attendance records for five years.*
- ☐ Do the evaluation and feedback forms include:
  - A question on whether the stated learning objectives were met?
  - A question for participants to identify the potential impact to their practice?
  - A question for participants to identify if the session was balanced and free from commercial or other inappropriate bias?
  - A question on which CanMEDS Roles were addressed during the activity?
- ☐ Have you attached a sample conflict of interest form and an outline of the process for the collection, management, and disclosure of conflicts of interests which includes a description of how this information is collected and disclosed to participants? *Required regardless of how the activity is funded.*
- ☐ Have you attached a copy of the answer sheet for the assessment tool that allows participants to demonstrate knowledge, skills, clinical judgment or attitudes and shows how feedback will be provided to the participants (See question Part B – 9)
- ☐ Has the Chair of scientific planning committee attested that he/she agrees with the content provided in the application package? – see section D

The Royal College has created a CPD activity toolkit to help developers of educational activities who want to create quality programs. Each topic in the toolkit includes explanations, practical examples and other resources.
